

All Eyes On Game Changing Event Propelling the Fabrics and Accessories Market Segments Forward

The excitement is already palpable. Almost every stakeholder in the apparel fabric and accessories market segment is looking forward to the F&A Show - Fabrics & Accessories Trade Show to be held from 3 to 5 March 2017, at Trade Centre, KTPO, Whitefield, Bangalore.

The event will see manufacturing companies and suppliers of apparel fabrics, trims, embellishments and related services exhibit their wide range of products and services. If your company is engaged in trade with the apparel industry, then this is the event where you should be present. The event will enable exhibitors to meet a cross-section of high quality buyers that represent the broad spectrum of this fast growing industry.

Over the past 14 editions, the event has acquired cult status among those who want to source, network and get updates on the current and forever changing trends in this fast growing market segment.

With the Government announcing a special package for giving further fillip to the growth rate of the textile industry, it is not surprising to find the positive buzz around the 15th edition of the F&A show. The long list of exhibitors, which includes some of the topmost names in the fabrics and accessories domain, reflects the positive sentiments prevailing in the market and the enthusiastic reception that the event has generated.
